

TIME

1. Structures and Notions (12-13)

What's the time?

What time is it?

o'clock

It's one o'clock.

It's five past three.

It's (a) quarter past one.

a quarter to

a quarter past

It's ten to eight.

It's (a) quarter to five.

half past

It's half past three.

We **don't** use the word "minutes" with 5, 10, 20, 25, 30, 35, 40, 45, 50, 55.

It's five past three.

But!

1:11

It's eleven minutes past one.

a.m.

Latin - ante meridiem
= before noon

p.m.

Latin - post meridiem
= after noon

Eg. I get up at 8 a.m.

REMEMBER!

in

in the morning
in the afternoon
in the evening
in 5 minutes

at

at noon (**at** midday or **at** lunchtime)
at dusk
at night
at midnight
at dawn
at 2 o'clock
at 11:30

Exercises

Write the correct time under each clock.
