

Career Timeline Analysis

Part 1: Analyze a Professional Profile

Read the professional summary of an executive. Identify the verb tenses used in the underlined phrases and explain why that tense was chosen based on professional context.

"I **started** my career as a junior analyst in 2015. Over the years, I **have managed** multiple international projects. Currently, my team **is developing** a new financial software package. We are working hard because we **will have finalized** the global rollout by December."

1. "started"

.....

.....

2. "have managed"

.....

.....

3. "is developing"

.....

.....

4. "will have finalized"

.....

.....

Part 2: Build Your Career Timeline

Now, apply these tenses to your own professional experience (or a fictional career). Write one clear, professional sentence for each prompt below.
